DRAG TO VIEW

■ **June 12, 1888** John Lee  
Richmond, a left-handed hurler for  
the Worcester Ruby Legs, pitches the  
first perfect game in major league  
history in a 1-0 victory over the  
Cleveland Blues.

■ **June 12, 1939** The  
National Baseball Hall of  
Fame opened its doors in  
Cooperstown, N.Y., on this day. Among  
the first class inducted: Babe Ruth,  
Ty Cobb, Walter Johnson, Honus  
Wagner and Christy Mathewson.

## July 26 GRAND ISLAND TRAIL MARATHON Finish with a lake dip

Take a break from ordinary flat race courses and  
experience the world of off-road, nature-calling  
marathon running in Grand Island, Mich. The course  
leads runners over the hills and through the woods  
around the island. Despite picturesque views of  
shorelines, this race is no walk in the park.  
The hills are frequent, and there are only  
four aid stations, so you have to  
bring your water bottle. After you  
finish, numb the pain with the  
customary cooling-off dip in  
Lake Superior.

## July 26-27 WIFFLE BALLIN' FOR KIDS Blast plastic for charity

What's more intriguing — the fact  
there's actually a World Whiffleball  
Championship, or that it's in its 29th  
year? The tourney has been hosted in  
Mishawaka, Ind., since 1980, although  
the name was changed to The Children's  
Campus Wiffle Ballin' for Kids back in  
2004. Last year's event featured more  
than 50 five-man teams, so if you  
have a talent for blasting plastic balls,  
you still can sign up: The 2008  
tournament will be taking team  
entries until July 8. [whiffleball.org](http://whiffleball.org)
